School District Philosophy

The Kankakee School District is totally committed to providing quality educational opportunities designed to meet the diverse academic, physical, social, and vocational needs of all of our students. We strive to establish a supportive learning environment in which students acquire the knowledge and skills necessary for a productive life in the 21st Century, develop a healthy self-image and positive social behaviors, and appreciate ethnic and cultural differences. To achieve this purpose, teachers, administrators, the Board of Education, parents, and students must work together to build an educational program which matches community expectations and available resources with the responsibility for developing enthusiastic life-long learners capable of meeting and solving society's problems.
