Bus Conduct

All students must follow the District's School Bus Safety Guidelines. The Superintendent, or any designee as permitted in The School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including, but not limited to, the following:

1. Prohibited student conduct as defined in the Board Policy 7:190, *Student Discipline*.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the Superintendent or designee deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Electronic Recordings on School Buses

Electronic visual and audio recordings may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed on the exterior of the vehicle's entrance door and inside the school bus in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement.

Any electronic recording of the interior of a school bus while the school bus is being used in the transportation of students to and from school and school-sponsored activities is exempt from the Eavesdropping Act and is not a school student record under the Illinois School Student Records Act. Pursuant to Illinois law, such recordings are nonetheless confidential records and may only be used by school officials (or their designees) and law enforcement personnel for investigations, school disciplinary actions and hearings, proceedings under the Juvenile Court Act of 1987, and criminal prosecutions, related to incidents occurring in or around the school bus. If the content of an electronic recording becomes the subject of a student disciplinary hearing, it will be treated like other evidence in the proceeding.
